New Hampshire Food Stamp Program

**Division of Family Assistance
New Hampshire Department of
Health and Human Services**

January 2008

Dear Friends:

We are happy to provide you with the New Hampshire Food Stamp Program Assistance Handbook for 2008. The Handbook contains contact information for agencies that provide critical assistance to people and families in need.

As you know, one critical component for good health is good nutrition. You will find information concerning food banks, soup kitchens, prepared meals programs for the elderly, as well as information about other nutrition services.

Good health is also served by having a roof over one's head, heat and medical care. For this reason, you will also find information in the Handbook concerning homeless and transitional services, medical services and fuel assistance.

There will be a limited number of hard copies of the Handbook. Our hope is that you will share them with co-workers in your office. The Handbook can also be found on the DHHS website at <http://www.dhhs.state.nh.us/DHHS/DFA/LIBRARY> or as a link on the DHHS homepage at <http://www.dhhs.state.nh.us/dhhs/dhhs>.

A Microsoft Word electronic version can also be obtained by calling 271-2580 or 1-800-852-3345, ext. 4580. Please also call 271-4580 if you have changes and/or corrections in your information.

Again this year, we are grateful to the U.S.D.A. Food and Nutrition Service for helping to fund this project.

Thank you all for the work you do.

Sincerely,

A handwritten signature in cursive script that reads "Laurie A. Green". The signature is written in dark ink on a light-colored background.

Assistance Programs

Food Stamp Program

The Food Stamp Program provides monthly food assistance to low-income families and individuals to help them purchase a nutritionally adequate diet. Household size, income and asset levels, and certain non-financial criteria determine the monthly benefit allotment.

TANF/FAP

This program provides financial and medical assistance to one-parent families, or two-parent families in which one of the parents is disabled or unemployed.

Aid to the Permanently and Totally Disabled (APTD)

This program provides financial and medical assistance to persons who are permanently and totally disabled and are between the ages of 18 and 64.

Old Age Assistance (OAA)

This program provides financial and medical assistance to persons who are 65 years of age or older.

Aid to the Needy Blind (ANB)

This program provides financial and medical assistance to blind individuals who are unable to provide for themselves.

Medical Assistance (Medicaid)

In addition to the assistance programs listed above, Medicaid may be available to persons and families if they are:

- Pregnant.
- Poverty level children up to age 19.
- Children with severe disabilities.

Medicaid may pay certain Medicare Premiums, co-insurance and deductibles for certain individuals if they are qualified Medicare beneficiaries or qualified disabled working individuals.

Child Day Care

This program assists with payment for day care costs. To be eligible, individuals must meet income guidelines and be employed, attending school, in a training program, or actively seeking work.

Heat and Fuel Assistance Program

The New Hampshire Fuel Assistance Program (FAP) provides income eligible households with assistance in paying home energy bills (oil, kerosene, natural gas, propane, wood, electricity, and/or coal) during the winter heating season. FAP prioritizes households with at least one member who is elderly, disabled and/or a child under age 6. Eligibility for FAP is based on household size, household income, and annual home energy costs.

Homeowners and renters (including renters with heat included) are eligible for FAP.

FAP income guidelines are updated annually at the beginning of the new program year.

The FAP application process begins each year on September 1. Benefits are generally available for certified FAP clients on December 1.

Applicants must provide written documentation (copies of checks or check stubs, etc.) for all household income sources for the time period specified on the FAP application (usually 30 days).

The six Community Action Agencies (CAPs) in New Hampshire are responsible for the FAP application process. Telephone your local CAP for information, including current income guidelines, or to make an appointment to complete a FAP application.

Other Energy Programs

Weatherization Assistance Program: funds energy improvements in the homes of approximately 600 low-income households. Priority is given to the elderly, handicapped, and families with young children. To apply, contact your local CAP.

Senior Elderly Assistance Services: is for elderly people who are not income eligible for Fuel Assistance but have a compelling need for a one-time grant of up to \$250 towards heating costs.

Neighbor Helping Neighbor: helps households facing a disconnect or heating emergency. This subsidy is for households who are not income eligible and have not previously received Fuel Assistance or Weatherization funds.

Electric Assistance Program: provides qualified electric utility customers with a discount from 5 – 70% on their monthly electric bill.

Social Security Administration

Assistance Programs

<u>Retirement Benefits</u>	<u>Disability Benefits</u>
Cash benefits for workers aged 62 or older who have worked a sufficient number of years and contributed to the program during that time. Dependents may also be eligible for benefits.	Benefits for workers who become physically or mentally disabled prior to retirement age. Disability must be severe enough to prohibit substantial work and be expected to last for a year or more.
<u>Supplemental Security</u>	<u>Medicare</u>
Monthly cash payment to aged, blind, and disabled people who have little or no income. Recipients may be eligible for Medicaid benefits (see Division of Family Assistance, page 1). A handicapped child under age 18 may receive this if child and parent meet income and resource requirements.	Hospital Insurance (Part A) and Medical Insurance (Part B) for people 65 and older who qualify for retirement benefits, for workers who have been receiving disability benefits for 24 months or more, and for people who need kidney dialysis or transplant.
<u>Survivors Benefits</u>	
Lump sum payment and monthly cash benefits to spouses and dependent children of deceased workers.

Town Welfare Offices

Each NH town and city offers direct relief in the form of vouchers paid directly to vendors for such needs as food, rent, heat, and utilities. RSA 165 requires towns and cities to assist people who live within their jurisdiction, who have no other means of support, who require temporary assistance, or whose bare minimum in expenses exceeds their customary income.

Most towns and cities have full-time welfare directors with regular office hours. Check under "Government, City/Town" in the Yellow Pages for phone numbers. In smaller towns, contact the Board of Selectmen or Town Office for details.

Women, Infants, and Children (WIC)

The Special Supplemental Nutrition Program for Women, Infants and Children (WIC) provides supplemental nutritious foods and nutrition education to pregnant and breast-feeding women. It also provides foods to infants and children up to 5 years of age. To participate, infants, children, pregnant women and breastfeeding mothers must be determined "nutritionally at-risk" due to a dietary inadequacy or medical condition by a nutritionist, physician, or nurse. Participants must meet the income criteria below:

The income limits listed below will change April 1, 2009.

Family Size	Annual Income	Monthly Income	Weekly Income
1	\$19,240	\$1,604	\$370
2	25,900	2,159	499
3	32,560	2,714	627
4	39,220	3,269	755
5	45,880	3,824	883
6	52,540	4,379	1,011
7	59,200	4,934	1,139
8	65,860	5,489	1,267
For each additional family member, add:	+6,660	+555	+129

WIC provides infants with iron-fortified formula and cereal and with fruit juice rich in vitamin C. Infants and children with individual needs may be accommodated with special formulas. WIC provides women and children with milk, cheese, eggs, iron-fortified cereals, fruit juice rich in vitamin C, and peanut butter or dried peas and beans. WIC also provides nutrition education, breastfeeding support, and healthcare referrals.

WIC also administers the Commodity Supplemental Food Program (CSFP). This program provides supplemental foods to low-income seniors 60 years and older, and women and children up to 6 years old who are no longer eligible for WIC.

For more information, contact the WIC Nutrition Services Bureau at
271-4546 or 1-800-WIC-4321.
